(n)   All taught modules are available for study as standalone CPD under the Credit Accumulation and Transfer Scheme (CATS) Regulations. Modules passed under these regulations will not contribute to an award, however candidates who wish to go on to study for one of the Clinical Research awards listed above may be able to transfer their credits – see section 3.c for the criteria for transfer.

2.   Assessment Methods

Details of the assessment pattern for each module are explained in the module outline.

3.   Progress and Assessment

(a)   The Masters degree, the Postgraduate Diploma and the Postgraduate Certificate are awarded as follows:

      a.   50 – 59 Pass
      b.   60 – 69 Pass with Merit
      c.   70 or above Pass with Distinction

   I.   For the award of Masters with Merit candidates must also have achieved an overall mark of 60% in the Clinical Research Dissertation module.

   II.   For the award of Masters with Distinction candidates must also have achieved an overall mark of 70% in the Clinical Research Dissertation module.

(b)   Candidates studying the Masters may exit with a Postgraduate Certificate as a lesser award if 60 taught credits have been passed or a Postgraduate Diploma if 120 taught credits have been passed. Candidates studying the Postgraduate Diploma may exit with a Postgraduate Certificate as a lesser award if 60 taught credits have been passed. The title of the award will be dependent on the modules passed and the requirements of the programme regulations. These may be awarded as follows:

      a.   50 – 59 Pass
      b.   60 – 69 Pass with Merit
      c.   70 or above Pass with Distinction.

(c)   Candidates studying on a stand-alone basis who wish to be considered for the above Postgraduate Certificate award must transfer onto the appropriate programme after passing modules to the value of 20 credits. Approval of the transfer will be dependent on the modules passed, the validity of the modules to a specified award and the requirements of the programme regulations. Candidates studying on a standalone basis who wish to be considered for any of the above Postgraduate Diploma or Masters awards must transfer onto the appropriate programme after passing modules to the value of 40 credits. Approval of the transfer will be dependent on the modules passed, the validity of the modules and the requirements of the programme regulations.

4.   Exemptions to the University's Taught Programme Regulations

(a) **Section G - Section 95 The Award and Classification of Master's Degrees, Postgraduate Diplomas and Postgraduate Certificates**
Section G – Section 98 & 102 The Award of Postgraduate Certificate and Diploma (Exit Awards)

The Clinical Research suite of programmes has an exemption from the University's Taught Programme Regulations in relation to the criteria for determining awards with Merit and Distinction (entry awards), approved by the Faculty Education Committee – see Section 3. (a).

The Clinical Research suite of programmes has an exemption from the University's Taught Programme Regulations which allows exit awards with Merit or Distinction - see section 3. (b).

(b) In the event of any inconsistency between the programme and University regulations in relation to the above section, the programme regulations take precedence over the University regulations. Further guidance is contained in the Programme Handbook available on the VLE.
