- (c) If a pass mark is obtained, in addition to a student meeting the criteria for the BSc in Psychology, then the degree of BSc Psychology with Study Abroad will be awarded. Failure to pass the Study Abroad year will result in the candidate being transferred to the BSc (Hons) Psychology award.

6. Assessment methods

Details of the assessment pattern for each module are explained in the module outline.

7. Degree classification

Candidates will be assessed for degree classification on the basis of all the modules taken at Stages 2 and 3; the weighting of the stages being 1:2. The Professional and Careers Placement years, as well as the International Year Abroad, do not formally contribute to the degree classification. However, candidates on these awards must pass their placement year/study abroad year to graduate with the degree title BSc Hons Psychology with Professional Placement or BSc Hons Psychology with Placement Year or BSc Hons Psychology with Study Abroad

8. Exemptions to the University's Taught Programme Regulations

The BSc Honours Psychology with Professional Placement has a University exemption from the University's Taught Programme Regulations in relation to the offer of a resit opportunity for the Supervisor Report, which forms part of the assessment regime of PSY3000 – see Section 3(d). In the event of any inconsistency between the programme and University regulations in relation to the above section, the programme regulations take precedence over the University regulations.
