(iii) Unless otherwise stated under ‘Type’, modules are not core.

(iv) A compulsory module is a module which a student is required to study.

(v) A core module is a module which a student must pass, and in which a fail mark may neither be carried nor compensated; such modules are designated by the board of studies as essential for progression to a further stage of the programme or for study in a further module.

(vi) All modules are delivered in Linear mode unless stated otherwise as Block, eLearning or distance learning.

(vii) The NUL regulations from 2019 onwards should be consulted in relation to Stages 1 and 2 of these degree programme regulations.

(viii) Students who wish to take an Intercalating year in 2021/22 will transfer to the equivalent programme regulations at NUBS on the main campus.

1. Intercalating Year (4 Year programme versions only)

a) On completion of Stage 2 and before entering Stage 3, candidates on N5N2 BSc (Hons) International Marketing & Management who wish to take a placement and/or study abroad with an approved organisation will transfer to the relevant programme regulations at the Newcastle upon Tyne Campus. However, their degree programme title will remain BSc (Hons) International Marketing & Management (with relevant option).

It is the responsibility of individual students to make sure they meet the visa requirements of the country in which they plan to undertake a study abroad/placement. Travel and study abroad will be guided by institutional policy and government guidance at the time.
c) Students who elect to take this option will complete their final year at NUBS at the Newcastle upon Tyne Campus, there will be no option to complete their studies in London.
