Notes

- (i) *These programme regulations should be read in conjunction with the University's Taught Programme Regulations.*
- (ii) *All optional modules are offered subject to the constraints of the timetable and to any restrictions on the number of students who may be taught on a particular module. Not all modules may be offered in all years and they are listed subject to availability.*
- (iii) *Unless otherwise stated under 'Type', modules are not core.*
- (iv) *A compulsory module is a module which a student is required to study.*
- (v) *A core module is a module which a student must pass, and in which a fail mark may neither be carried nor compensated; such modules are designated by the board of studies as essential for progression to a further stage of the programme or for study in a further module.*
- (vi) *All modules are delivered in Linear mode unless stated otherwise as Block, eLearning or distance learning.*
- (vii) *Candidates are required to participate in approved excavations, fieldwork or other practical work of at least two weeks' duration at the end of Stage 1 and at least two weeks' duration at the end of Stage 2, either in each of the two long vacations during the degree programme, or at other times specified by the Degree Programme Director. Students needing to postpone their Stage 1 or Stage 2 fieldwork must have the written approval of the fieldwork co-ordinator.*
- (viii) *You may not take more than 70 credits in any one semester (thus, your credit balance over two semesters must be 60/60 or 70/50)*
