

Academic Year 2022/23

MA and PG Diploma Finance and Economics (Research)

Codes: MA 4116F/P

PG Diploma 3438F/P

Notes

- (i) These programme regulations should be read in conjunction with the University's Taught Programme Regulations.
- (ii) A core module is a module which a student must pass.
- (iii) A compulsory module is a module which a student is required to study.
- (iv) All modules are delivered in Linear mode unless stated otherwise as Block, eLearning or distance learning.

1. Programme structure

- (a) The programme is available for study in both full-time and part-time modes, but only for those students who are funded under the NINE Doctoral Training Partnership (DTP).
- (b) The period of study for full-time mode shall be one year for Masters and eight months for Diploma starting in September. The period of study for part-time mode shall normally be 2 years starting in September. Part-time students will need to negotiate with the Degree Programme Director their route through the programme.
- (c) The programme is designed to equip students for PhD study in the discipline and it is part of the ESRC 1+3 award via the NINE Doctoral Training Partnership (DTP).
- (d) The Master's programme comprises modules to a credit value of 180. The Diploma programme comprises modules to a credit value of 120.
- (e) All candidates shall take the following 90 credits of compulsory modules:

Code	Descriptive title	Total Credits	Credits Sem 1	Credits Sem 2	Credits Sem 3	Level	Type	Mode
HSS8002	Information Skills	10	10			7
