Programme Titles:

Degree of Bachelor of Engineering with Honours in Geospatial Surveying and Mapping- UCAS Code: H245

Degree of Bachelor of Engineering with Honours in Geospatial Surveying and Mapping-with Year in Industry – Code 1636U

Degree of Bachelor of Engineering with Honours in Geospatial Surveying and Mapping-with Year in Industry – UCAS Code: H246*

Notes

- (i) *These programme regulations should be read in conjunction with the University's Undergraduate Progress Regulations and Examination Conventions.*
- (ii) *All optional modules are offered subject to the constraints of the timetable and to any restrictions on the number of students who may be taught on a particular module. Not all modules may be offered in all years and they are listed subject to availability.*
- (iii) *Unless otherwise stated under 'Type', modules are not core.*
- (iv) *A compulsory module is a module which a student is required to study.*
- (v) *A core module is a module which a student must pass, and in which a fail mark may neither be carried nor compensated; such modules are designated by the board of studies as essential for progression to a further stage of the programme or for study in a further module.*
- (vi) **Programme coded H246 is withdrawn from entry.*
