Notes

- (i) *These programme regulations should be read in conjunction with the University's Taught Programme Regulations.*
- (ii) *All optional modules are offered subject to the constraints of the timetable and to any restrictions on the number of students who may be taught on a particular module. Not all modules may be offered in all years and they are listed subject to availability.*
- (iii) *Unless otherwise stated under 'Type', modules are not core.*
- (iv) *A compulsory module is a module which a student is required to study.*
- (v) *A core module is a module which a student must pass, and in which a fail mark may neither be carried nor compensated; such modules are designated by the board of studies as essential for progression to a further stage of the programme or for study in a further module.*
- (vi) *All modules are delivered in Linear mode unless stated otherwise as Block, eLearning or distance learning.*
- (vii) *With the approval of the Degree Programme Director, and in exceptional circumstances, an alternative combination of modules that fall out with these regulations may be selected.*

4. Assessment methods

Details of the assessment pattern for each module are explained in the module outline.

5. Degree classification

- (i) All Stage 2 and Stage 3 modules contribute towards the degree classification.
- (ii) Stage 2 and Stage 3 will be weighted in the ratio 1:2 in the final degree calculation.

6. University Study Abroad and Exchange Programme

- (a) Pending Degree Programme Director approval, students may take part in a semester abroad as listed in the School Undergraduate Handbook. The study abroad programme and the grades obtained are integral to the final degree. Students who take part in a semester abroad will be assigned one of the below modules codes. The grades gained whilst studying abroad will be suitably converted and the resulting mark will be used for their final degree classification.
