### Bachelor of Arts with Honours in Modern Languages and Business Studies

UCAS Code: TN92

#### Notes

- (i) *These programme regulations should be read in conjunction with the University's Taught Programme Regulations.*
- (ii) *All optional modules are offered subject to the constraints of the timetable and to any restrictions on the number of students who may be taught on a particular module. Not all modules may be offered in all years and they are listed subject to availability.*
- (iii) *Unless otherwise stated under 'Type', modules are not core.*
- (iv) *A compulsory module is a module which a student is required to study.*
- (v) *A core module is a module which a student must pass, and in which a fail mark may neither be carried nor compensated; such modules are designated by the board of studies as essential for progression to a further stage of the programme or for study in a further module.*
- (vi) *All modules are delivered in Linear mode unless stated otherwise as Block, eLearning or distance learning.*

#### General Principles

1. Candidates can take one or two languages with Business Studies. Candidates can take one of three pathways.
  - (i) One or Two languages at post A-Level (see Section 1)
  - (ii) Two languages, one at post A-Level and one at Beginners (see Section 2)
  - (iii) One language at Beginners level (see Section 3)
2. Beyond Stage 1 candidates may not take up a new language, either beginners or post A-Level.
3. A candidate must choose optional modules in the language(s) being taken e.g., if a student takes FRE2061 Level C (HE Advanced) French, the options accompanying this module begin with the pre-fix FRE.
4. A candidate must choose optional modules to correspond with the level of language being taken, e.g. FRE2061 with Level C (HE Advanced) French options.
5. Candidates must take 40 credits as a minimum in each subject at Stages 2 and 4. For example, candidates may not take 100 credits of language and only 20 credits in Business Studies.
