Notes

- (i) *These programme regulations should be read in conjunction with the University's Taught Programme Regulations.*
- (ii) *All optional modules are offered subject to the constraints of the timetable and to any restrictions on the number of students who may be taught on a particular module. Not all modules may be offered in all years and they are listed subject to availability.*
- (iii) *Unless otherwise stated under 'Type', modules are not core.*
- (iv) *A compulsory module is a module which a student is required to study.*
- (v) *A core module is a module which a student must pass, and in which a fail mark may neither be carried nor compensated; such modules are designated by the board of studies as essential for progression to a further stage of the programme or for study in a further module.*
- (vi) *All modules are delivered in Linear mode unless stated otherwise as Block, eLearning or distance learning.*

5. Assessment methods

Details of the assessment pattern for each module are explained in the module outline.

6. Degree classification

Candidates will be assessed for degree classification on the basis of all the modules taken at Stages 2 and 3, with the weighting of the stages being 2:1 for Stage 3 and Stage 2 respectively.

7. Appendix: Classical Languages Q800, Q810, QQ83 and V110

Students may choose to take (as set out in their regulations) one or more Classical Language modules as set out in their regulations. Depending on their level of previous study students will either start at Beginners or Intermediate level. Students must take the Semester 1 Part 1 module before proceeding to the Semester 2 Part 2 module. Pre-requisite modules are set out in the Module Outline forms and indicated below.

An exemption from the University's Qualifications and Credit Framework has been granted to allow the study of Beginners' and Intermediate Latin and Greek at any stage. In the cases of Stages 2 and 3, the particular pathway selected is subject to the discretion of the Degree Programme director.
