Notes

- (i) These programme regulations should be read in conjunction with the University's Taught Programme Regulations.*
- (ii) All optional modules are offered subject to the constraints of the timetable and to any restrictions on the number of students who may be taught on a particular module. Not all modules may be offered in all years and they are listed subject to availability.*
- (iii) Unless otherwise stated under 'Type', modules are not core.*
- (iv) A compulsory module is a module which a student is required to study.*
- (v) A core module is a module which a student must pass, and in which a fail mark may neither be carried nor compensated; such modules are designated by the board of studies as essential for progression to a further stage of the programme or for study in a further module.*
- (vi) All modules are delivered in Linear mode unless stated otherwise as Block, eLearning or distance learning.*
- (vii) With the approval of the Degree Programme Director, and in exceptional circumstances, an alternative combination of modules that fall out with these regulations may be selected.*
- (viii) We envisage offering both pathways each year but this will be dependent on a review of the number of spaces available on each module. English Literature with Creative Writing will be the default pathway that would always be available.*
- (ix) The English Literature and Creative Writing pathway is available to students who entered stage 1 from 2024/25 onwards. Students taking this pathway will be transferred to 1896U BA English Literature and Creative Writing.*
