3. Year 3 (Placement Year)

- (a) On completion of Stage 2 and before entering Stage 3, candidates may have the opportunity to spend a year in a Professional Placement or Careers Placement with an approved organisation. Permission to undertake either placement is subject to approval by the Degree Programme Director. Candidates who are required to re-sit their Stage 2 assessment must delay the start of their placement until they have done so. Students who fail Stage 2 may not complete a placement year.

- (b) On successful completion of the placement year, candidates will return to complete the relevant Stage 3 modules as the final year of their degree. Candidates who fail the placement will transfer to Stage 3 of the BSc with Joint Honours in Psychology and Sport & Exercise Science.

Professional Placement – Code: 1430U

- (c) All Professional Placement candidates shall take the following compulsory module:

<i>Code</i>	<i>Descriptive title</i>	<i>Total Credits</i>	<i>Credits Sem 1</i>	<i>Credits Sem 2</i>	<i>Level</i>	<i>Type</i>	<i>Mode</i>
PSY3000	Psychology Professional Placement Year	120	60	60	6		

- (d) In order to pass PSY3000 candidates must achieve a pass in each of the three components of assessment: a Poster, a Reflective Log and Supervisor Report. If the Poster or Reflective Log is failed, it will have to be retaken and a pass mark obtained. However, no resit can be offered for the Supervisor Report. Thus if the Supervisor Report is failed, this will constitute a fail for the entire module.

- (c) Optional modules must be approved by the Degree Programme Director and credit for each semester must not exceed the University requirements, ie: no less than 50 and no more than 70 credits per semester. 60 credits of Psychology modules are required for eligibility to BPS accreditation.

5. Assessment methods

Details of the assessment pattern for each module are explained in the module outline.

6. Degree classification

- (a) Candidates will be assessed for degree classification on the basis of all the modules taken at Stages 2 and 3 with the weighting of the stages being 1:2 for Stage 2 and Stage 3 respectively.
- (b) The Professional and Careers Placement Years do not formally contribute to the degree classification. However, candidates studying on these awards must pass their placement year to graduate, respectively, with the degree title of BSc with Joint Honours Psychology and Sport & Exercise Science with Professional Placement or BSc with Joint Honours Psychology and Sport & Exercise Science with Placement Year.

7. Exemptions to the University's Taught *Programme Regulations*

The BSc with Joint Honours in Psychology and Sport and Exercise Science with Professional Placement has a University exemption from the University's Taught Programme Regulations in relation to the offer of a resit opportunity for the Supervisor Report, which forms part of the assessment regime of PSY3000 – see Section 3(d). In the event of any inconsistency between the programme and University regulations in relation to the above section, the programme regulations take precedence over the University regulations.
