UCAS Code: TN92

#### Notes

- (i) *These programme regulations should be read in conjunction with the University's Taught Programme Regulations.*
- (ii) *All optional modules are offered subject to the constraints of the timetable and to any restrictions on the number of students who may be taught on a particular module. Not all modules may be offered in all years, and they are listed subject to availability.*
- (iii) *Unless otherwise stated under 'Type', modules are not core.*
- (iv) *A compulsory module is a module which a student is required to study.*
- (v) *A core module is a module which a student must pass, and in which a fail mark may neither be carried nor compensated; such modules are designated by the board of studies as essential for progression to a further stage of the programme or for study in a further module.*
- (vi) *All modules are delivered in Linear mode unless stated otherwise as Block, eLearning or distance learning.*

#### General Principles

1. Candidates can take one or two languages with Business Studies. Candidates can take one of three pathways.
  - (i) One or Two languages at post A-Level (see Section 1)
  - (ii) Two languages, one at post A-Level and one at Beginners level (see Section 2)
  - (iii) One language at Beginners level (see Section 3)
2. Beyond Stage 1 candidates may not take up a new language, either beginners or post A-Level.
3. A candidate must choose optional modules in the language(s) being taken e.g., if a student takes FRE2061 Level C (HE Advanced) French, the options accompanying this module begin with the pre-fix FRE. Note that most SML-coded modules can go with any language.
4. A candidate must choose optional modules to correspond with the level of language being taken, e.g., FRE2061 with Level C (HE Advanced) French options.
5. Candidates should ensure they have an equal credit balance in each subject at Stages 1 and 2 but may request an 80/40 split in favour of SML modules in Stage 4, subject to DPD approval.
6. If you study two languages in your first year, you may reduce to one language in Stage 2 and beyond. You must take at least one language all the way through.
