* Candidates that choose either the NBS8613 module or the NBS8614 module need to have strong quantitative background and will require approval from the corresponding module leader.

- (f) All candidates are required to take the following not for credit module:

<i>Code</i>	<i>Descriptive title</i>	<i>Total Credits</i>	<i>Credits Sem 1</i>	<i>Credits Sem 2</i>	<i>Level</i>	<i>Type</i>	<i>Core for PSRB Accreditation</i>	<i>Core for learning outcomes</i>	<i>Mode</i>
NBS8995	Critical Skills for Finance	0	0		7				

These modules will be offered subject to availability. Other modules may be available to the students as approved by the Degree Programme Director and subject to availability and timetabling.

2. Semester of Exchange

- a. Candidates who have successfully passed all taught elements of Year 1 at the first or second attempt may take part in a semester of study abroad at one of the School's exchange partner institutions. Such candidates shall transfer to (5488) MSc Quantitative Finance and Risk Management (with Study Abroad).
- b. Permission to undertake a period of study abroad is subject to the approval of the Degree Programme Director. It is the responsibility of the individual students to make sure they meet the visa requirements of the country in which they plan to undertake a period of study. Travel and study abroad will be guided by the institutional policy and governmental policy at the time.
- c. International students undertaking this option must be aware that the University will withdraw UK student (Tier 4) visas for the time spent overseas.
- d. During the period of study abroad, students are required to take the following module:

<i>Code</i>	<i>Descriptive Title</i>	<i>Total Credits</i>	<i>Credits Sem 1</i>	<i>Credits Sem 2</i>	<i>Level</i>	<i>Type</i>	<i>Mode</i>
NBS8000	Business School PGT Mobility	0	0	0	7		

3. Dual Award – Outgoing students

- Candidates who have successfully passed all taught elements of Year 1 at the first or second attempt may, if selected through an application process, take part in a Dual Award at a participating NUBS partner institution, undertaking an additional year of study. Such candidates shall transfer to (5173N) MSc Quantitative Finance and Risk Management (Dual Award).
- Permission to undertake a second year of study abroad is subject to the approval of the Degree Programme Director. It is the responsibility of the individual students to make sure they meet the visa requirements of the country in which they plan to undertake a second year of study. Travel and study abroad will be guided by the institutional policy and governmental policy at the time.
- International students undertaking this option must be aware that the University will withdraw UK student (Tier 4) visas for the time spent overseas.
- During the period spent studying at the partner institution, students are required to register for the following module at Newcastle University:

<i>Code</i>	<i>Descriptive Title</i>	<i>Total Credits</i>	<i>Credits Sem 1</i>	<i>Credits Sem 2</i>	<i>Level</i>	<i>Type</i>	<i>Mode</i>
NBS7000	Business School Dual Award	0	0	0	7		

4. Dual Award – Incoming students

- Selected students from participating partner institutions will be registered on (5173I) MSc Quantitative Finance and Risk Management (Dual Award).
- Students registered to this programme are not entitled to participate in a Semester Exchange opportunity, following completion of the degree programme.

5. Assessment Methods

Details of the assessment pattern for each module are explained in the module outline.

6. Progress

Candidates may only proceed to the dissertation where they have passed all the taught modules or failed no more than 20 credits of non-core modules.

7. Degree Title

Upon successful completion of the programme, the degree title awarded will be (5173) MSc Quantitative Finance and Risk Management. Candidates who choose to take part in the Study Abroad shall be transferred onto the 18-month version of the programme and graduate with (5488) MSc Quantitative Finance and Risk Management (with Study Abroad).

Candidates who choose to take part in the Dual Award shall be transferred onto the 24-30 month version of the program and upon successful completion of their second degree, will graduate with;

Outgoing Students:

5173N MSc Quantitative Finance and Risk Management (Dual Award)

Additionally, outgoing students will receive a separate certificate which details the partner institution they studied with as well as the degree certificate from the partner institution.

Incoming students:

5173I MSc Quantitative Finance and Risk Management (Dual Award)
