Notes

- (i) *These programme regulations should be read in conjunction with the University's Taught Programme Regulations.*
- (ii) *All optional modules are offered subject to the constraints of the timetable and to any restrictions on the number of candidates who may be taught on a particular module. Not all modules may be offered in all years, and they are listed subject to availability.*
- (iii) *Unless otherwise stated under 'Type', modules are not core.*
- (iv) *A compulsory module is a module which a candidate is required to study.*
- (v) *A core module is a module which a candidate must pass, and in which a fail mark may neither be carried nor compensated; such modules are designated by the Board of Studies as essential for progression to a further stage of the programme or for study in a further module.*
- (vi) *All modules are delivered in Linear mode unless stated otherwise as Block, eLearning or distance learning.*
Each Stage is made up of 120 credits. Candidates must ensure they choose a 60/60, 50/70 or 70/50 split of credits per semester.

General Principles

1. Candidates can take one or two languages with Business Studies, following one of the three pathways:
 - i. One or Two languages at post A-Level (see Section 1)
 - ii. Two languages, one at post A-Level, and one at Beginners level (see Section 2)
 - iii. One language at Beginners level (see Section 3)
2. Beyond Stage 1 candidates may not take up Chinese, French, German, Japanese, Portuguese or Spanish from Level A.
3. Candidates cannot take both Chinese and Japanese.
4. A candidate needs a minimum of 40 credits in each language for the language to be named on the degree certificate (either 40 credits of language OR 20 credits of language plus 20 credits of an option pertaining to the relevant language, e.g. CHN for Chinese, FRE options for French, GER options for German, JPN options for Japanese, POR for Portuguese, SPA for Spanish). Note that some LAS modules can count as the required 20 credits for Portuguese or Spanish but some only count for Spanish. Note that most SML-coded modules can count as the required 20 credits for any language.
5. Candidates should ensure they have an equal credit balance in each subject at all Stages but may request an 80/40 split in favour of SML modules in final year, subject to DPD approval.

6. The choice of all modules is subject to any pre-requisites.
7. Candidates are only permitted to take 20 credits of Level 4 modules in Stage 2.
8. Modules taken at Stage 1 cannot be repeated at Stage 2. Modules taken at Stage 2 cannot be repeated at Final Stage.
9. You may reduce to one language in Stage 2 and beyond, subject to DPD approval. You must take at least one language all the way through.
10. High-achieving candidates who have taken a Level B language at Stage 2 may be able to enter Level D of that language at final year with permission of the DPD. The relevant language module leader will make the initial assessment.
