- (c) Candidates are permitted to spend a semester of Stage 2 studying abroad. Whilst abroad students shall take one of the following compulsory modules, depending which semester they are studying abroad in:

These candidates will be transferred to degree programme code 1002U and will graduate with 'With Year Abroad' included in their degree programme title.

- b) Candidates may select to spend a year studying abroad on completion of stage 2 and before

entering stage 3. Permission to undertake an optional year abroad is subject to the approval of the Degree Programme Director. This year abroad does not substitute for one year of study at Newcastle i.e. it is in addition to the three years spent at Newcastle. Whilst studying abroad under this option candidates shall take the following module:

<i>Code</i>	<i>Descriptive title</i>	<i>Total Credits</i>	<i>Credits Sem 1</i>	<i>Credits Sem 2</i>	<i>Level</i>	<i>Type</i>

It is the responsibility of individual students to make sure they meet the visa requirements of the country in which they plan to undertake a work placement / study abroad.

The University **will** withdraw UK student (Tier 4) visas for International students spending a year overseas. It will then be the sole responsibility of the student to re-apply, in a timely fashion, for a UK student (Tier 4) visa to return to Newcastle to complete their studies.

Placement opportunities will be guided by national and institutional policy at the time. Travel and study abroad will be guided by institutional policy and governmental guidance at the time.
