*With the approval of the Degree Programme Director and depending on the academic background of the candidate, an alternative module to those above may be selected from other modules available in the School of Education, Communication and Language Sciences or from elsewhere in the University.

2. Assessment methods

Details of the assessment pattern for each module are explained in the module outline.

3. Progress

Candidates are expected to pass at least 100 credits of taught modules before proceeding to the research project.

4. Award requirement

Candidates are required to carry out a research project and write a research project report that is thematically linked to either Teaching and Learning, Educational Leadership, or Technology Enhanced Learning, although the particular focus will not be named on the award certificate.
