**2. Assessment methods**

Details of the assessment pattern for each module are explained in the module outline.

**3. Compensation and Condonement**

For students entering the programme in 2021/22 onwards, the Engineering Council's policy on compensation and condonement will apply to marks awarded for modules at all stages, to satisfy accreditation requirements. To be awarded an accredited honours degree, only a maximum of 30 credits can be compensated over the duration of the degree programme, where the final mark is up to 5 percentage points below the pass mark. Core modules cannot be compensated. Individual projects and group projects worth more than 20 credits cannot be compensated. There is no condonement of modules delivering Accreditation of Higher Education Programmes (AHEP) learning outcomes.

Any student not satisfying the accreditation requirements, but satisfying University's Degree and Assessment regulations, will have the opportunity to be awarded a non-accredited honours degree with its classification based on the overall final stage averages beyond stage one.

**4. Degree classification**

Candidates will be assessed for degree classification on the basis of all the modules taken at Stage 2 and

3 with the weighting of the stages being 1:3 for Stage 2 and Stage 3 respectively.
